ADRA Canada has been working with refugees for years. Today, the world is seeing an unprecedented number of refugees - 60 million, in fact. ADRA Canada has been working with Syrian refugees in Lebanon, by offering educational opportunities to refugee children in Beirut. The current project is a school building to help these children. If you would like to contribute to ADRA Canada's work with Syrian refugees, you can visit www.adra.ca/syriancrisis. Every eligible dollar will be matched by the government until December 31st. Thank you for your support.

Remember in Prayer: Evangelistic ministry follow up; preparations for a new Church year; our local church leadership; sick, shut-in, and grieving members; the Holy Spirit's outpouring.
